

The "Loving Casper" Fund

This fund honors Casper, a special barn cat who spends his life devotedly admiring his beautiful equine friends while vigilantly patrolling their shared home to keep it free of disease-bearing rodents. Loving Casper donors will be proudly recognized in our newsletter.

This very special fund, to which a large number of our best friends regularly contribute, honors the vitally important frequent gifts that allow us to see after the less glamorous but critical daily needs of our facilities. Through these gifts we are able to provide basic equipment and replenish ordinary supplies so necessary to our work. Your gift to the Casper Fund may be used for essential recurring purchases from mouse traps to duct tape.

Gift Levels in the Loving Casper Fund

- Lionhearts \$400 - 499**
- Cubhearts \$200 - 399**
- Kindhearts Gifts up to \$199**

You can help us make a difference with your financial contribution.

The “Wee Willie Hitchcox” Fund

This fund honors our first rescue pony, Wee Willie Hitchcox (aka “M&M”), who came to us so starved we were unable to recognize the fine young Hackney driving pony hiding within the pitiful skeleton we first saw.

Your annual or one time contribution to this fund helps us provide needed compassionate restorative care for an abused or neglected horse, covering costs including veterinary and farrier fees, medication, supplies, supplements, feed and hay.

Donations in the amount of \$1,000 - \$2,499 will be recognized in this horse care category.

“Wee Willie Hitchcox” on arrival

The “Brave Warrior” Safe Shelter Fund

This fund honors the brave grey pony that, even after being dragged behind a truck until bloody and injured, still trusts people.

Your contribution to this fund helps us to provide a safe and comfortable weather-protected shelter for injured, ill, and/or emaciated horses as they recover from serious abuse or neglect. Cost may include lease payments, construction, maintenance or improvements for stalls or enclosures, or your contribution may be combined with other generous donors to help us continue to provide basic shelter for our rescued equine.

Donations in the amount of \$2,500 - \$4,999 will be recognized in this stalls and shelter category.

No animal deserves to be treated this way.

The “Angel” Fund

This fund memorializes Angel, whose rescue from a sweltering field involved hours of terrible suffering because we lacked the equipment required to quickly lift and safely transport her for emergency treatment of heat exhaustion and dehydration.

Your gift to this fund allows us to acquire, operate and maintain the equipment we need to rescue and transport abused and neglected horses and ponies for badly needed care and treatment. Your gift may also allow us to properly care for previously donated or loaned equipment such as our truck, tractor, or trailers

Donations in the amount of \$5,000 + will be recognized in this equipment support category.

Horse Haven of Tennessee is a 501c3 organization and all donations are tax deductible as allowed by Federal & Tennessee law.
